

CONFIDENTIAL

15 December 1953

MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT: Control Stamps

1. Attached is a draft paper to the DDCI with which the offices have concurred and non-concurred as noted.

2. In its present form it has not been submitted by this Office to the Office of the General Counsel because of your advice to [] last July, when he discussed a copy of the draft DCID with you, that your Office had no concern from the legal point of view. We understand, however, that as a result of consultation with OO/C your Office did obtain information from the Justice Department which bears on the question of control of unclassified information (copy of memorandum attached).

3. I would, therefore, appreciate your reviewing this document in its final form so that you may re-examine whether you have an interest, and if so, indicate your concurrence or non-concurrence.

4. Furthermore, in your present capacity as Acting Deputy Director (Administration) I would appreciate your concurrence or non-concurrence (please note in this connection the non-concurrence of SO, attached). With regard to the point raised by SO on the use of control stamps by other agencies, I invite your attention to NSCID No. 11.

5. When advised of your position I will put the attached in final form for signature.

[]
Assistant Director
Intelligence Coordination
